Extent

Items: About 200 items

Linear Feet: 1.5

Abstract

Barbara Edith Warner was born in 1874 and graduated from the Baltimore Homeopathic Hospital. She practiced homeopathic nursing in Baltimore, Md., from about 1890 until 1900 and in Greensboro, N.C., until the 1930s. Warner died in the mid-1950s. The collection consists of about 200 separate hypodermic needles and syringes used by Barbara Edith Warner during her career as a nurse in both Baltimore, Md., and Greensboro, N.C. Also included is a small box of medicines.
